The Qibla (Direction of Prayer Facing the Kaaba in Mecca) for Muslims in North America.

Qibla: The Muslim performing salat should stand in the direction of the Qibla, which is Northeast for South Carolina residents.

The proof for this practice is found in Surah Al-Baqara (2:144) of the Quran which reads: **"We see the turning of thy face (for guidance to the heavens: now Shall We turn thee to a Qibla that shall please thee. Turn then Thy face in the direction of the sacred Mosque (Makkah): Wherever ye are, turn your faces in that direction..."** Therefore, every resident of North America should turn towards the qibla whenever the call the adhan, iqama, bury the deceased, or perform salat.
